Capabilities Statement

Knowledge, skills & experience,
delivers the best outcomes

Founded on trust, built on reputation & service since 2003.

Company Overview

Lawson's is an independent South Australian business who have been operating since 2003. We specialise in all areas of Self-Insurance; WHS and Workers Compensation Claims Management. Our proven risk and liability reduction programs continue to exceed our client's expectations and add real dollars back to their bottom line.

Value Proposition

Reducing Workers Compensation Premiums within an organisation is easy when the right systems and people are in place. Lawson's are industry specialists in guiding business owners how to achieve improved performance in Work Health & Safety (WHS) and Injury Management through our targeted liability reduction strategies.

Core Competencies & Achievements

Managing 22% of the private Self-Insurers Workers Compensation Claim Portfolios within South Australia, Lawson's have over 110 years of combined experience and a stable team of highly skilled Claims Managers that are outcome focused. Nominated as "Service Provider of the Year" at the Self Insurers of South Australia Awards and our continued focus on exceeding the expectations of our client's, drives us as a longstanding market leader in the field of WHS and Injury Management.

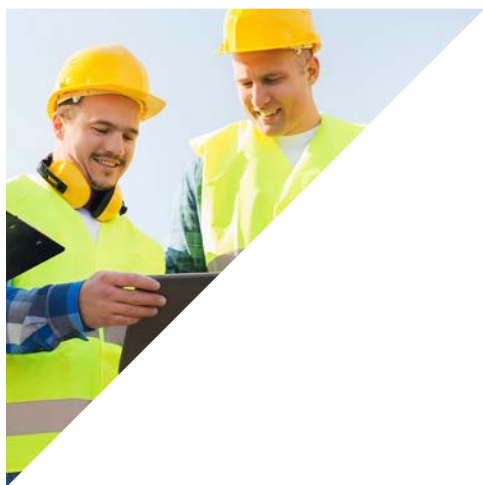

Management Profiles

Our Managing Director has over 25 years of experience in the workers' compensation and injury management industry. He has worked in a wide variety of roles for a State Government Regulator and private insurers in Australia and the UK.

Our Director, Finance and Administration provides the oversight and direction of our organisational capacity in addition to the technical interface with Return to Work SA and our software provider.

Our WHS Risk and Compliance Manager combines both qualifications and 15 years' experience in consulting and practice constantly seeking improvements to ensure client satisfaction.
